See compatible PC applications or alternative Desktop applications for your computer. We have worked diligently to help you understand how to use this application for your computer in 4 simple steps below: OK. The first is the first. If you want to use the application on your computer, first visit the MAC or Windows Appstore and look for the Bluestacks application or NOX application >>. The majority of the tutorials on the web recommend the Bluestacks application and could have the temptation of recommending it also, because it is more likely that you find solutions in the fee. You can download the PC or Mac Bluestacks software here >>. Step 2: Install the emulator on your PC or Mac now that you have downloaded the emulator of your choice, go to the download folder on your computer to locate the emulator or the Bluestacks application. Once you have found it, click on to install the application or exe on your PC or Mac computer. Now click next to accept the license agreement. Follow the directives on the screen to install the application correctly. If you do the above correctly, the emulator application will be installed correctly. Step 3: For PC - Windows 7/8 / 8.1 / 10/11 Now, open the emulator application that has installed and look for its Bã^Squeda bar. Once you have found it, write the IQ test in the Bã^Squeda bar and press the bust. Click IQ TESTAPPLiCation Icon. An IQ test window in Play Store or the App Store will open and show the store in its emulator application. Now, press the install boton and I like an iPhone or Android device, your ^AT ^Át .sadalatsni senoiacilpa sus sadot eneitnoc euq angiaP anu a iÁravell ol y l@Á ne cilc agahI .senoiacilpa sal sadoT^ odamall onocÁ nu iÁrev .odanimret someh sodot arohA .esragraced a iÁraznemoc see the icon. Click on the boton and start using the application ^ . Step 4: for Mac OS Hi. Mac user! The steps for using IQ Test for Mac are exactly like those in previous Windows OS. All you need to do is install the Nox or Bluestack application emulator on your Macintosh. Links are provided in step one Á Do you need help or do you not find what you need? Please tell us here! The main PCMAC reviews are more silly and insulting by Droidbits (PCMAC user) not only do I have a low IQ apparently told me I was dumber than a doormail. What's wrong with that? These guys are on their way and seriously ill. Stay away from this test and these people. It doesn't even open at the launch of this app^ it doesn't even open, so it's a complete flaw. I hope the owners of this app won't fix it or refund my money as soon as possible. The update date ^ need by Dann147777 (PCMAC user) does not open after launch. Apparently, it's been for a while. Please enter the date application ^ . Waste of \$\$ ... Avoid Dave from the south. (PCMAC user) takes too long to open ... for 4 minutes. It seems to be the same test again. There are no menus or help links or explanations of how ^ is being rated or timed. I can't get a refund as the Apple store doesn't have a calling number or a live body to talk to. a.
